DETAILED ACTION

Response to Amendment

This communication is responsive to the pre-brief appeal conference request filed 1/15/2008.

Claims 13-15, 17-22, 24-28, and 30-31 are pending in this application. Claims 13, 21, and 26 are independent claims.

Allowable Subject Matter

Claims 13-15, 17-22, 24-28, and 30-31 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to independent claims 13, 21, and 26, the prior art found does not teach "forming a placeholder in the portal environment for each detached portal page when detached, wherein the placeholder is formed in response to the portal page being detached and wherein the placeholder is substantially smaller than the portal page to permit a plurality of portal pages and at least one portlet contained within each portal page to be presented via their respective placeholders to a user at the same time," in combination with all of the other claim limitations. While the prior art does teach detaching multiple portlets from one portal page and displaying multiple portlets simultaneously, the prior art does not teach detaching entire portal pages and displaying detached placeholders that represent entire portal pages simultaneously.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2178

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
